The screenshot shows a web browser window titled "Ψ IUPUI - WeatherJag". The page has a light gray background. At the top, the title "WeatherJag" is displayed in a large, bold, black font. Below the title, there is a text input field with the placeholder text "Enter City Name". Underneath the input field, there are four red buttons with white text, arranged vertically: "Check Weather", "Get Alerts", "Open Map", and "Statistics". At the bottom of the page, there is a section labeled "Weather details:" followed by a large, empty white rectangular box.
